Orbit-QTM

Integrated
Food Waste Treatment System

OK Green KO Food Waste

All-in-One

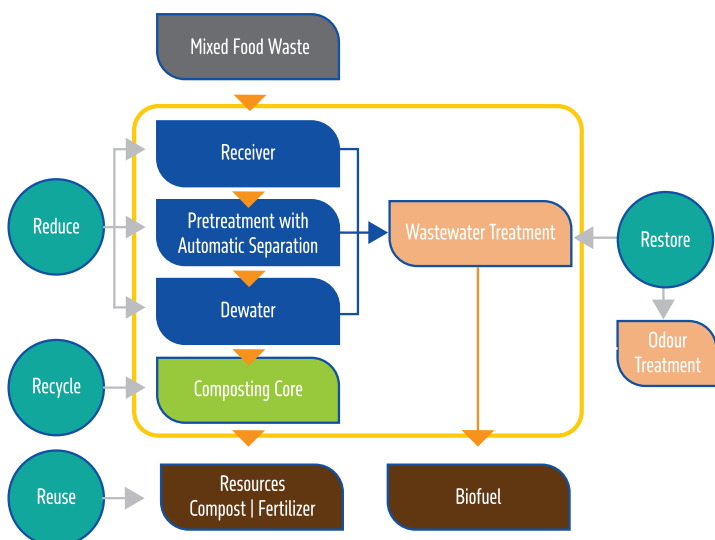

All For Victory

One integrated system that consolidates every process.
One solution that ends every problem.

***The Fully Automated Intelligent
All-in-One Composting System.***

Lift. Crush. Sort. Press. Compost. Deodorize.

Slash All Costs:

Eliminate fragmented equipment purchases. Eliminate extra labour. Eliminate high transport and landfill fees.

The Answer to All Challenges:

Meet stringent regulations. Overcome the NIMBY¹ effect. Achieve carbon reduction targets.

Create Value for All Futures:

Produce compost, generate revenue.

Set the industry standard, build your brand.

^{*}Feature availability varies.
